**HON. ABUBAKAR MOHAMED KHALIF- MAJORITY LEADER**

**Hon. Speaker Sir, I beg to move the following motion;**

**THAT AWARE THAT,** The Constitution of Kenya 2010 introduced a devolved system of government in which functions, powers and resources were devolved to a decentralised unit commonly referred to as Counties.

**FURTHER AWARE THAT,** the aspect of devolution is in regard to both in resources to Counties which is achieved through fiscal decentralisation as entrenched in the Constitution and administratively taking close to the citizens so as to realize self-governance and management of all devolved functions as prescribed in the fourth schedule of the constitution.

Article 174 of the constitution 2010 gives powers of self –governance to the people and enhance the participation of the state and in making decisions effecting them.

**APPRECIATING THAT,** the County Government of Garissa established offices at the Sub-Counties and the purpose was to bring services close to the citizens so as to give effect to the full realization of devolution, whilst respecting the promotion of social-economic and the provision of proximate, easily accessible services at the grass root level.

**CONCERNED THAT,** most of these offices in the Sub-Counties are not operational and that specific function (s) under which it was meant to help achieve is not fully rendered.

**NOW THEREFORE, this House Compels the County Executive to operationalize these offices at the grass root level so as to bring services closer to the people and make devolution serve at its best.**

**HON MARIAN MOHAMED HASSAN**
