4.	MOTION – APPROVAL OF THE CALENDAR OF THE COUNTY ASSEMBLY FOR 2024 That, pursuant to the provisions of Standing Order 25, this House approves the Calendar of the County Assembly (Regular Sessions) for the Third Session (2024) as contained in the Schedule to the Order Paper	5.3.2024 (2:30 PM)	HON KHADIJA IDRIS MOHAMED NOMINATED MCA MOVES ON BEHALF OF MAJORITY LEADER HON ABUBAKAR M.KHALIF	HON HAJIR MOHAMED DAHIYE- MCA ABAIKALE WARD	5.3.2024 (2:30 PM)	Approved
5.	That aware that, control of drugs is the function of the County Government according to the Fourth Schedule of the Constitution of Kenya. The use of this plant ( khat) has bothered many people and its use has negatively affected both the young and the older population. Further aware that, Khat (Miraa), is the most commonly abused drug in Garissa County which has acted as a gateway to the use of other drugs such as Bhang and other dangerous pills. Concerned that, the leaves of the khat plant contain psychoactive compounds, and	6.3.2024 (2:30PM)	HON ADOW OMAR SAID-MCA HULUGHO WARD	HON HASSAN NOOR DAHIR – MCA BARAKI WARD	19.3.2024 (2:30PM)	Approved

chewing them can			
produce stimulant			
effects. The legal status			
and public perception			
of khat vary widely			
across different regions			
and countries. Some			
areas have banned or			
regulated its use due to			
concerns about its			
potential health effects			
and its social			
implications.			
Deeply concerned that,			
consumption of Miraa			
has contributed to			
social ills in the local			
population including			
breakup of families,			
reduced productivity,			
draining of family			
income, school dropout			
and drop in academic			
performance in schools.			
Noting that, many of			
the studies done and			
the observed includes			
family instability			
because of draining on			
family resources and			
the lack of care and			
attention on the part of			
the chewer for his			
family members,			
reduced work			
productivity as a result			
of absentee tardiness			
and the generally			
depressed mood of the			
khat chewer. The			
preoccupation with the			
attainment and use of			
khat, and the neglect of			
all other community			
activities is evident to a			
large extent possible.			

Now therefore, This         County Assembly urges         the County Executive         Committee Member         responsible for trade         matters to establish         measures to regulate         the sale and         consumption of Miraa         taking into         consumption of Miraa         taking into         consumption of Miraa         taking into         consumption,         designated         places for sale         and         consumption,         designated         places for sale         and         consumption,         adges of the         consumer         2.
