(STATEMENT SOUGHT FROM THE CHAIR COMMITTEE ON IMPLEMENTATION)

Hon Speaker, Pursuant to standing order 41 (2) c, I beg to seek a statement from the chairperson of the select committee on Implementation regarding the operationalization of Masalani Municipality.

Hon Speaker, Section 9 of the Urban Areas and Cities Act 2011 empowers the County Governor, on the resolution of the County Assembly, to confer on a qualifying town, the status of a Municipality by grant of a Charter in the prescribed form.

Hon Speaker, I would like to express my gratitude for the work put into creating Municipalities, which marks a significant achievement in the growth of our county. However, it is crucial that we carefully consider the financial responsibility and long-term viability when implementing its operations.

Hon speaker, in the statement the chairperson should inquire into and report on;

1. Whether Masalani Municipality is operational, if yes what are some of the significant accomplishments that have been achieved since its establishment?
2. Are there any specific impediments to the effective and efficient operationalization of the Masalani municipality, and if so, could you explain?
3. Could the department provide details on the budgetary allocations and financial resources dedicated to Masalani municipality, and how these funds are being utilized for the development of the municipality?
