(RESPONSE TO THE STATEMENT SOUGHT FROM THE CHAIRPERSON OF THE COMMITTEE ON EDUCATION, ICT AND INFORMATION SERVICES)

1. Could the department provide a status update on the infrastructure and human resources allocated to Early Childhood Education? Are the ECDE institutions adequately equipped with facilities, and do we have a sufficient number of teachers to meet the educational needs of our youngest learners?
2. Could the department outline the reporting hierarchies for Early Childhood Development and Education (ECDE) teachers and school management? Moreover, can

they elaborate on the strategies implemented to assess syllabus coverage through Monitoring and Evaluation (M&E) and specify the frequency of these assessments?"

3. Are the children (students) in our ECDE institutions receiving the full requirements in terms of nutrition and meals? If not, when was the last time these requirements were met, and what actions are being taken to rectify this situation and ensure that no child goes without proper nourishment?
4. How are the Early Childhood Education teachers in our county evaluated and promoted? Explain the criteria used for teacher evaluations and the processes in place for their career advancement within our educational system?
