I urge all members to prioritize their attendance and participation in the sessions. Measures will be taken to address this issue if it continues to persist.

Regular attendance is vital for the effective functioning of our assembly. It is imperative that all members prioritize their presence in sessions. Persistent absenteeism undermines our collective efforts.

Hon. Members.

I also want to remind everyone of the importance of adhering to the established dress code. Our appearance reflects the respect we hold for this esteemed institution and the responsibilities entrusted to us. Please ensure that you comply with the dress code at all times while attending sessions and official functions.

Let us acknowledge the significant achievements we have made during this session. Our collaborative efforts have led to the passage of several crucial bills and initiatives that will positively impact the people of Garissa. Your hard work and dedication have been instrumental in these accomplishments, and I commend each of you for your contributions.

Hon. Members.

Despite these challenges, we have accomplished a great deal during this session. Our collective efforts have led to the passage of several bills, a number of motions also adopted several reports, addressing key issues and driving progress for the people of Garissa. These achievements are a testament to your hard work and dedication.

However, we must also recognize the challenges we have faced. While we have made significant strides, there are still unresolved issues that require our attention. Addressing these challenges will be crucial to our continued success.

Hon. Members.

Use this time to engage with our people, understand their concerns, and gather feedback that will inform our future legislative priorities.

Committees will continue their operations during the recess. Ensure your active participation in committee meetings and the ongoing legislative work.

Hon. Members.

Prepare for the next session by reviewing pending legislation and being ready to contribute effectively when we reconvene.

I encourage all members to actively generate business for the proper functioning of the House and its committees. Proactive engagement and the introduction of new initiatives will drive our legislative agenda forward.

Lastly, I want to emphasize the heightened sense of accountability and transparency that we must uphold, especially considering the pressing issues raised by the younger generation, particularly Gen Z. Their concerns demand our immediate and transparent responses. We must lead by example and ensure that our actions reflect the highest standards of integrity and accountability.

In response to the concerns of Gen Z and the broader public, we must also address the issue of austerity measures. The economic challenges we face require us to adopt prudent fiscal policies. This means making difficult but necessary decisions to ensure sustainable development and financial stability.

Hon. Members.

As you are greatly aware recently there is heighten sense of accountability Nationally, therefore it is prudent to know that there will be much more exposed to public scrutiny hence it is important we remain alive to this affect as demanded by the Gen z.

Further aware that the current wave of accountability and transparency has called for austerity measure which intern requires all Government entities both national and County to comply. This includes restricted travels therefore; we maybe compel to conduct our trainings within Garissa County.

Hon. Members.

I urge all members to consider the long-term impacts of our legislative decisions on future generations and to work towards policies that promote economic resilience and equity.

I would also like to inform you that the new administration block will be open before the next session. Additionally, the Assembly will have a biometric system for enforcing attendance.

Hon. Members.

I trust that you will take these matters seriously and work diligently during the recess to ensure the continued progress and integrity of our assembly.
