(STATEMENT SOUGHT FROM THE CHAIR COMMITTEE ON LANDS, HOUSING, PHYSICAL PLANNING AND PHYSICAL PLANNING AND URBAN DEVELOPMENT)

Hon. Speaker, Pursuant to standing Order 47 (1) (c), I wish to request for a statement from the chairperson of the committee on Lands, Housing, Physical planning and urban development regarding the distribution of Qorahey Market stalls.

Hon. Speaker, Article 41 (2) (b) of the constitution of Kenya 2010 provides every worker the right to reasonable working conditions.

...../7*(Cont'd)

Hon. Speaker, Markets are crucial components of any economic system. They are the places where buyers and sellers interact and exchange goods, services, and information. The importance of markets lies in the fact that they play a vital role in generating revenue for an economy.

Hon. Speaker, With the county government's investment alongside development partners, it is projected that there will be an increase in local revenue collection. This investment is also expected to boost business volumes in the area.

Hon. Speaker, in the statement the Chairperson should inquire into and report on;

1. Is the department aware of the distribution of Qorahey Market stalls? If yes,
2. What criteria were used to determine the allocation of the stalls?
3. Who are the beneficiaries of the stall distribution? Can the Department provide a list of names and the specific stalls allocated to each beneficiary?
4. What measures have been put in place to ensure transparency in the distribution process?
5. Have there been any complaints or disputes regarding the distribution of the stalls? If so, what actions have been taken to address them?
