(STATEMENT SOUGHT FROM THE CHAIR COMMITTEE ON AGRICULTURE, LIVESTOCK AND PASTORAL ECONOMY)

Hon Speaker, Pursuant to standing order 47 (1) c, I wish to request a statement from the Chairperson of the sectoral committee on Agriculture, Livestock, and Pastoral Economy regarding the status of Agriculture and livestock farming in Goreale Ward.

Hon Speaker, livestock rearing is the backbone of our county's economy, providing livelihoods for a significant portion of our population. It is essential to regularly assess and understand the current state of our livestock to ensure its growth and sustainability.

Hon Speaker, Agriculture including crop and animal husbandry is a function of the County Government as stipulated in the fourth schedule part 2 of the constitution of Kenya 2010

Hon Speaker, as a concerned Member of the County Assembly, am seeking information and clarification from the Department of Agriculture, Livestock, and Pastoral Economy on various matters related to agriculture and livestock farming in our county. I believe that addressing these questions will contribute to the improvement of the sector and the well-being of our constituents.

Hon Speaker, the people of Goreale ward are farmers and since the land is endowed and suitable for farming, this will ensure food on the table, job opportunities and could economically empower the vulnerable in the society.

Hon Speaker, in the statement the chairperson should inquire into and report on;

1. The department to provide details on any plans and initiatives aimed at transitioning to modern methods of agriculture and livestock farming within Goreale Ward and What specific strategies are being considered to improve the efficiency, productivity, and sustainability of this farming?
2. What services are currently being offered by the department in relation to animal health and vaccination? Are there any upcoming programs designed to enhance the health and vaccination conditions of livestock in Goreale Ward? If so, please provide details?

...../7*(Cont'd)

3. What is the department doing to support the farmers in Goreale Ward in terms of provisions of farm inputs or subsidized services?
