**1. (STATEMENT SOUGHT FROM THE CHAIR COMMITTEE ON TRADE,
INVESTMENT AND ENTERPRISE DEVELOPMENT)**

Hon. Speaker, Pursuant to standing order no 47(1) c, I wish to request a statement from the chairperson of the sectoral committee on Trade, Investment and Enterprise Development regarding the number of cooperatives in Garissa County.

Hon. Speaker, Garissa has a variety of cooperatives that focus on different sectors such as agriculture, livestock and savings and credit. The cooperatives often play a crucial role in supporting local economic development by providing members with resources, training and access to markets.

Hon. Speaker Sir, these cooperatives hold substantial potential for economic development and community empowerment. However, for them to operate effectively and in compliance with the law, it is essential to enhance awareness, provide training, and improve leadership. Addressing these challenges will help unlock the full potential of cooperatives in contributing to the local economy and improving the livelihoods of their members.

..... /7(cont'd)*

Hon. Speaker, in the statement the chairperson should inquire into and report on:

1. How many registered cooperatives are currently operating in Garissa County?
2. Are the cooperatives in Garissa operating in compliance with the relevant laws and regulations?
3. How many members do the cooperatives collectively serve? Are there demographic trends in membership?
4. What is the estimated net worth of cooperatives in Garissa County? How is the net worth of each cooperative assessed and reported?
5. What activities are the cooperatives engaged in, and how do these contribute to the local economy?
6. What support systems are in place for cooperatives to help them operate effectively and legally?
