KEY MANAGEMENT

The county executive team during the end of the financial year:

H.E NATHIF JAMA ADAM GOVERNOR GARISSA COUNTY

- Nathif Jama Adam, EGH, (Nadiif Jaamac Aadan, Arabic: نظيف جامع آدم) is a Kenyan banker, writer and politician.
- Adam has served as the Governor of Garissa County since August 2022. He was initially elected to the position in March 2013 to become the pioneer Governor of Garissa County and served until 2017. He was elected once again in August 2022.
- Prior to joining politics, he was the Managing Director of First Community Bank. He was also previously a Senior Vice President and the Head of Sharjah Islamic Bank's Investments & International Banking Division. He co-authored the first book on sukuk investments.

Honours

At the Jamhuri Day of 2022, Adam was awarded by President William Ruto the Elder of the Order of the Golden Heart (E.G.H.) which is the second highest honour awarded by the Kenyan government.

H.E ABDI DAGANE ISMAIL

DEPUTY GOVERNOR GARISSA COUNTY

⊃ His Excellency Abdi Dagane is the Deputy Governor of Garissa County, a position of great responsibility and leadership in the county government. With a strong commitment to serving the people of Garissa and a vision for positive change, H.E Abdi Dagane plays a vital role in shaping the future of the county.

⊃ **Responsibilities:**

Support to the Governor: As the Deputy Governor, H.E Abdi Dagane works closely with the County Governor to implement the county's vision and policies. Together, they lead the county government in its mission to improve the lives of Garissa County residents.

⊃ **Public Engagement:** H.E Abdi Dagane is dedicated to engaging with the public, listening to their concerns, and working to address the needs of the people. He is a voice for the community, helping to bridge the gap between the government and the citizens.

- ⊃ **Policy Advocacy:** The Deputy Governor advocates for policies and initiatives that promote development, inclusivity, and the well-being of the county's residents. He collaborates with other county officials to ensure these policies are effectively implemented.
- ⊃ **Community Development:** H.E Abdi Dagane is committed to community development projects, which include initiatives to improve healthcare, education, infrastructure, and more. His efforts are focused on making Garissa County a better place for all.

3. GOVERNANCE STATEMENT

The County Executive of Garissa is constituted as per the Constitution of Kenya, 2010. The County is headed by the Governor, who is responsible for the general policy and strategic direction of the County.

The County is made up of a County Assembly, County Executive and a number of County Government Entities. The County Executive is structured in terms of departments, headed by a County Executive Committee Member (CECMs). The CECMs support the Governor and the Deputy Governor in executing the mandate of the County Government as stipulated in the Constitution. The County Secretary heads county public service and is responsible for arranging the business of county executive committee.

The County Executive

- a) Indicate the membership of the cabinet/County Executive Governance Structures (*entity to tabulate and include photos of the Governor, Deputy Governor, the CECMs and County Secretary*).
- b) Brief discussions of how the County deals with its stakeholders especially on matters that require public participation, whether there are policies on communication, stakeholder engagement and whistle blowing.
- c) Safeguards against unethical conduct and corruption.
- d) Indicate your engagement with the County Assembly through its committees and the Senate including number of bills sponsored by the executive and any other matters presented for deliberations.
- e) Risk management
 - Are there effective arrangements for risk management and internal control?
 - Are there formal processes to identify and assess risks?
 - Are there formal processes to analyse risks as a basis for how they should be managed?
 - Are there formal processes to assess changes in the internal and external environments which could give rise to risks?
 - Are risks identified and analysed in the period and how they were managed?
- f) Brief descriptions of appointment operation and membership of the audit committee and its charter.
- g) Compliance

County Executive of Garissa
Annual Report and Financial Statements for the year ended June 30, 2023

The entity should identify the laws and regulations that governs it and disclose its compliance to these laws. There should also be a disclosure whether reports emanating from such compliance are prepared and discussed at the relevant levels or other government offices.

- h) Any other Governance issue include committees that the county may need to disclose.

4. FOREWORD BY THE CECM FINANCE AND ECONOMIC PLANNING

In our pursuit to improve on transparency and accountability in Public Financial Management, I present the financial statements for the financial year 2022/2023 of the County Executive of Garissa. The County Executive of Garissa has and will continue to manage its finances in accordance with the principles of fiscal responsibilities as spelt out in the Public Finance Management Act, 2012.

The report compares actual performance against budgeted revenues and expenditure and also provides the recommendation to the County Executive for improvement of budget execution. The County Executive of Garissa has developed strategic partnership with the public by involving them in development of the County Integrated Development Plan (CIDP) which highlights the programmes and projects to be implemented in successive county budgets. In this regard the County Executive of Garissa has been able and continues to put more emphasis into development activities which are responsive to the citizens' needs.

FINANCING OF THE COUNTY GOVERNMENTS

Article 202 of the Constitution of Kenya provides that revenue raised nationally shall be shared equitably among the National Government and the County Governments. Each County Government's equitable share of revenue raised nationally, is determined yearly through the County Allocation of Revenue Act (CARA). The revenue sharing formula is developed by the Commission on Revenue Allocation (CRA) and approved by Parliament in accordance with Article 217 of the Constitution.

The County also finances its operations through own generated revenues. These are revenues collected within the County. The key local revenue sources for County Government of Garissa included business permits, land rates, advertising fees, livestock cesses and various other administrative charges.

The County continues to explore new and innovative ways of increasing its local revenue collections. Some of the steps that the County has taken towards improving its revenue collections include:

Automation of revenue collection system at Garissa County Referral Hospital. The County has also procured a land management system which will boost collection of land and buildings related taxes.

FINANCIAL PERFORMANCE

Revenue

In FY 2022/2023 the County Executive approved supplementary budget amounted to **Kshs 8,383,468,720** Comprising of **Kshs 5,702,849,131** and **Kshs. 2,680,619,589** for Recurrent and Development expenditure respectively.

To Finance the budget, the county expected to receive **Kshs 8,561,389,232** as equitable share of revenue raised nationally including Balance of June Allocation for FY 21-22, **Kshs 651,226,989** as Conditional Grants from National Government Revenue and Donors, **Kshs 130,000,000** as Own Source Revenue and **Kshs 27,563,139** being cash balances from previous FY (2021/22).

Table 1 Summary of County Fiscal Performance

REVENUE CLASSIFICATION	REVENUE BUDGET	ACTUAL	REALISATION %
TRANSFERS FROM CRF	8,383,468,720	7,279,605,452	87%
TOTAL	8,383,468,720	7,279,605,452	87%

Source: Garissa County Treasury

Budget Performance

The total expenditure for the year amounted to **Kshs 7,246,276,620** against the budget of **Kshs 8,383,468,720** translating to utilisation level of **86%**. **Kshs 5,596,267,713** was spent on recurrent expenditure against the budget of **Kshs 5,702,849,131** translating to utilisation level of **98%** while **Kshs 1,650,008,908** was spent on development expenditure against the budget of **Kshs 2,680,619,589** translating to utilisation level of **62%**.

Increased Preventive and Promotive Health care Services.	<p>Provide 7000 MAMA Kits.</p> <p>Conduct 160 integrated outreaches in the county.</p> <p>Train 25 HCWs (Nurses, Clinical officers, Nutritionist) on MIYCN</p>

**County Executive of Garissa
Annual Report and Financial Statements for the year ended June 30, 2023**

Water

Strategic Priorities	Achievements
Development of surface water storage and groundwater source for multi-purpose water uses	Constructions of New Water Pans in Moit in Ijara and Quranhidi In Hulugho
Expansion of water supply services	Extension of pipeline various sub counties in the County
Rehabilitation, maintenance and operation of water supplies	Rehabilitation of 15 boreholes across the county.
strengthening institutional capacity and accountability	Capacity building of technical staff on solarisation at Strathmore university Capacity building of managerial staff on water governance and leadership at JKUAT university

6. ENVIRONMENTAL AND SUSTAINABILITY REPORTING

Introduction

The main intention of Environmental and Sustainability Reporting is to improve the transparency of the Organizations' activities. The goal is twofold:

On one hand, Environmental and Sustainability Reporting aim to enable the organization to measure the impact of their activities on the environment, on society and on the economy. In this way, the organization can get accurate and insightful data which will help them improve their processes and have a more positive impact in society and in the world.

On the other hand, a Corporate Social Responsibility or Sustainability Reporting also allows the organization to externally communicate with their goals regarding sustainability development and Corporate Social Responsibility. This allows stakeholders such as Employees, Investors, and Donors among other interested parties, to get to know better what are the short, medium and long-term goals of the organization and make more informed decisions.

County Government of Garissa exists to transform lives. This is our purpose; the driving force behind everything we do. It is what guides us to deliver our strategy, which is founded on five pillars: putting the customer/Citizen first, delivering relevant goods and services, and improving operational excellence. Below is a brief highlight of our achievements in each pillar.

1. Sustainability Strategy and Profile

A Sustainability or Corporate Responsibility Strategy is a prioritised set of actions. It provides an agreed framework to focus investment and external stakeholders, some of these are:

- Routine maintenance of access roads in different part of the county which eases movement of people, good etc. Hence increase economy of the region.
- All the county staffs benefited from the Comprehensive Health Care cover which helps the staff's access medical services for free.

2. Environmental Performance

The environmental performance consideration includes the use of renewable resources, improved energy and water efficiency, increase reuse and recycling, and reduction of hazardous waste and toxic pollutants:

- Improve water safety through providing enough aluminium sulphate which was procured for treatment of wells and other water reservoirs.
- Increase efficiency in waste management services through Maintaining garbage transportation vehicles and trailers for waste disposal.

3. Employee Welfare

The main objectives of employee welfare are to improve the life of the staff members, to bring about holistic development of the worker's personality and so on. It enables workers to perform their work in a healthy and favourable environment, it entails everything from services, facilities and benefits that are provided or done by an employer for the advantage of comfort of an employee. It is undertaken in order to motivate employees and raise the productivity levels. The employees of the county government are well paid, trained and enjoy benefits related to career progression and Medical cover.

4. Market Place Practices

Successfully launching and operating market places cannot be achieved without planning, strong strategy vision and commitment, as a county we have considered the following:

- Bring on board enough vendors through prequalification of suppliers of all traders and also considered special groups like youth, women and person with disability.
- Track and target right performed vendor, reliable vendors are a coveted resource, as county we make sure we engage vendor whose performance are good by analysing previous works.
- Building trusts and transparency through E-procurement. The County does procurement process through the IFMIS system hence encouraging transparency in the procurement process.

5. Community Engagements

It's the process of working collaboratively with and through groups of people affiliated by geographic proximity, special interest or similar situation to address issues affecting the well-being of those people. The County Government of Garissa engage community through public participation whereby engage one on one, Civil Education and customer relation.

7. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Section 164 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the County Treasury shall prepare financial statements of each County Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The County Executive Committee (CEC) member for Finance and Economic planning of the County Government is responsible for the preparation and presentation of the County Executive's financial statements, which give a true and fair view of the state of affairs of the County Executive for and as at the end of the financial year ended on June 30, 2023. This responsibility includes: (i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the county Executive; (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) Safeguarding the assets of the county Executive; (v) Selecting and applying appropriate accounting policies; and (iv) Making accounting estimates that are reasonable in the circumstances.

The CEC member for finance accepts responsibility for the County Executive's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The CEC member for finance is of the opinion that the County Executive's financial statements give a true and fair view of the state of the County Executive's transactions during the financial year ended June 30, 2023, and of its financial position as at that date.

The CEC member for finance further confirms the completeness of the accounting records maintained for the County Executive which have been relied upon in the preparation of its financial statements as well as the adequacy of the systems of internal financial control.

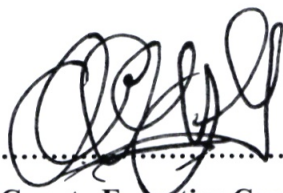

County Executive of Garissa
Annual Report and Financial Statements for the year ended June 30, 2023

The CEC member for finance confirms that the County Executive has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Executive's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for.

Further the CEC member for finance confirms that the County Executive's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The County Executive's financial statements were approved and signed by the CEC member for finance on 29/9/ 2023.

REPORT OF THE AUDITOR-GENERAL ON COUNTY EXECUTIVE OF GARISSA FOR THE YEAR ENDED 30 JUNE, 2023

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on the Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of County Executive of Garissa set out on pages 1 to 49, which comprise of the statement of assets and liabilities as at 30 June, 2023, and the statement of receipts and payments, statement of cash flows, and statement of comparison of budget and actual amounts (recurrent and development combined) for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the

Report of the Auditor-General on County Executive of Garissa for the year ended 30 June, 2023

Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the County Executive of Garissa as at 30 June, 2023, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1.Unconfirmed ICT Equipment

The statement of receipts and payments reflects acquisition of assets expenditure of Kshs.1,475,930,588, and as disclosed in Note 8 to the financial statements which also includes purchase of office furniture and general equipment amounting to Kshs.32,267,363. Review of documents provided for audit revealed that Kshs.2,965,000 was paid to the contracted company for supply of desktops, laptops and printers for Technical and Vocational Training (TVET) institutions. However, physical inspection conducted in the month of August, 2023 revealed that the acquired laptops, desktops and printers were not recorded in stores ledgers, not tagged and were excluded in the assets register. Four (4) laptops, six (6) desktops and three (3) printers were still in the store seven months after the purchase instead of being issued to the TVET institutions.

In the circumstances, accuracy and completeness of the expenditure on office furniture and general equipment amounting to Kshs.2,965,000 could not be confirmed.

2. Use of Goods and Services

The statement of receipts and payments reflects use of goods and services expenditure of Kshs.845,318,125 as disclosed in Note 4 to the financial statements. Review of available records revealed the following anomalies:

2.1 Unsupported Expenditure on Domestic Travel and Subsistence Allowances

Included in the use of goods and services expenditure of Kshs.845,318,125 is Kshs.85,924,196 relating to domestic travel and subsistence allowances . Review of payment vouchers and other supporting documents relating to domestic travel and subsistence allowances revealed that an amount of Kshs.1,232,000 was paid to officers who were on official duties relating to drought assessment outside the County Headquarters. However, the payments were not supported with pre-travel approval by the Management, programme of activities (drought assessment), meeting attendance registers and back to office report.

In the circumstances, the occurrence, accuracy and completeness of the expenditure of Kshs.1,232,000 incurred on domestic travel and subsistence allowances could not be confirmed.

2.2 Unsupported Payment on Office and General Supplies

The financial statements reflects use of goods and services expenditure of Kshs.845,318,125. Included in this expenditure is office and general supplies expenditure amounting to Kshs.33,288,247. Review of procurement and payment documents provided for audit revealed the following anomalies:

- i. Counter receipts notes (S13) and counter issue notes (SII) for supplies amounting to Kshs.416,850 were not provided for audit .
- ii. Payment for supplies valued at Kshs.2,760,000 were not supported with inspection and acceptance documents to show that goods were inspected to confirm the condition of the goods supplied; and
- iii. Payments for supplies amounting to Kshs.5,923,460 for low value items were not supported with Electronic Tax Receipts (ETR) from the Kenya Revenue Authority as required by Regulation 93(2) of the Public Procurement and Asset Disposal Regulations, 2020.

In the circumstances, the completeness and accuracy of office and general supplies expenses amounting to Kshs.9,100,310 could not be confirmed.

2.3 Unsupported Payments on Repair of Motor Vehicles

The financial statements reflects use of goods and services expenditure of Kshs.845,318,125, which includes expenditure on routine maintenance of vehicles and other transport equipment amounting to Kshs.3,811,180. Review of transport records revealed that payments amounting to Kshs.2,828,904 were not recorded in the respective vehicle log books (GP55). Further motor vehicle work tickets indicating the period when the motor vehicles were under repair were not attached to the payment vouchers. In addition, certificate of pre and post mechanical inspection from the department of transport was not attached to support payment vouchers.

In the circumstances, accuracy and completeness of the expenditure on repair of motor vehicles amounting to Kshs.2,828,904 could not be confirmed.

3. Unsupported Payment of Casual Wages

The statement of receipts and payments reflects compensation of employees amount of Kshs.4,284,841,581 and as disclosed in Note 3 to the financial statements which includes basic wages of temporary employees' expenditure amounting to Kshs.410,062,610. Review of records and ledgers on compensation of employees revealed that during the year under review, Kshs.352,204,386 was incurred on casual wages and salaries which was not included in the IPPD data provided. In addition,

payment vouchers and supporting schedules extracted from excel records for payments amounting to Kshs.104,922,280 were not provided for audit.

In the circumstances, the accuracy and completeness of basic wages of temporary employees of Kshs.410,062,610 could not be confirmed.

4. Unconfirmed Transfer to Other Government Entities

The statement of receipts and payments reflects transfers to other government entities amount of Kshs.154,729,423 which, as disclosed in Note 5 to the financial statements includes an amount of Kshs.35,000,000 being transfer to Garissa County Referral Hospital and Ministry of Health. However, the hospital and the ministry did not prepare financial statements to account for the receipt and use of the funds.

In the circumstances, the accuracy and completeness of transfer to other Government entities amounting to Kshs.35,000,000 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the County Executive of Garissa Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of Matter

1. Budgetary Control and Performance

The statement of comparison of budget and actual amounts reflects final receipts budget and actual on comparable basis of Kshs.8,383,468,720 and Kshs.7,279,605,268 respectively, resulting to an under-funding of Kshs.1,103,863,268 or 2% of the approved budget. Similarly, the statement reflects final expenditure budget and actual on comparable basis of Kshs.8,383,468,720 and Kshs.7,246,276,620 respectively, resulting in under-performance of Kshs.1,137,191,100 or 14% of the budget.

The under-performance affected the planned activities and may have impacted negatively on service delivery to the public.

2. Pending Bills

Annex 2-analysis of pending accounts payables reflects pending accounts payables totalling to Kshs.570,170,549 as at 30 June, 2024. Management has not explained why the bills were not settled during the year when they occurred. Failure to settle bills during the year to which they relate to distorts the financial statements and adversely affects the budgetary provisions for the subsequent year as they form a first charge.

My opinion is not however, modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Unresolved Prior Year Matters

In the audit report of the previous year, several issues were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, the Management has not resolved the issues or given any explanation for failure to adhere to the provisions of the Public Sector Accounting Standards Board templates.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way

Basis for Conclusion

1. Irregular Payments to Council of Governors and Frontier Counties Development Council

The statement of receipts and payments reflects use of goods and services expenditure of Kshs.845,318,125 as disclosed in Note 4 to the financial statements which includes other operating expenditure amounting to Kshs.118,307,874 out of which Kshs.5,000,000 and Kshs.6,000,000 is in respect to payments to Council of Governors and the Frontier Counties Development Council respectively. However, these payments were contrary to Section 37 of the Intergovernmental Relations Act, 2012 which requires operational expenses of the Council affiliated to county governments to be catered by the National Government. The regularity of payments made to the Council of Governors and Frontier Counties Development Council during the year under review could not be confirmed.

In the circumstances, Management was in breach of the law.

2.0. Human Resources

2.1. Irregular Payment of Special House Allowance

Analysis of June, 2023 Integrated Payroll and Personnel Database revealed that sixteen (16) employees whose date of current post is after the effective date of Salaries and Remuneration Commission Circular Ref. No SRC/ADM/1/13 Vol. III (126) of 10 December, 2014 were earning special house allowance in addition to the normal house allowance. According to payroll for June, 2023, a total of Kshs.128,668 was paid as special house allowance during the year under review contrary to SRC Circular on payment of house allowances.

2.2. Over Age Employees Retained in the Payroll

Review of the Integrated Payroll and Personnel Database (IPPD) revealed that one hundred and forty (140) officers who had attained the mandatory retirement age of sixty (60) years were still in office as at 30 June, 2023. This was contrary to Regulation 70(1)(a) of the Public Service Commission Regulations, 2020 which states that the mandatory retirement age in the public sector shall be sixty (60) years. The officers were paid emoluments totalling to Kshs.14,361,090 in the year under review. However, no records were provided for audit to demonstrate that the officers were entitled to prolonged stay in the service as provided for in Public Service staffing regulations.

2.3. Staff Paid Basic Pay Less than Approved Rates

Review of IPPD payroll for the financial year ended 30 June, 2023 revealed that there were twenty-eight (28) staff members in various job groups whose basic salary was below the minimum wage limit set by Salaries and Remuneration (SRC) Circular No. SRC/TS/JE/CG/3/33/6 VOL.III (30) dated 8 July, 2020 which categorizes job groups and their basic pay bands to be adopted by the county governments resulting to an underpayment of Kshs.1,813,959.

2.4. Employees Earning Less than a Third (1/3) of Basic Salary

Review of the County Executive payrolls for the year revealed that thirty-five (35) employees were receiving net salaries that were less than one third (1/3) of their respective basic salaries contrary to Section 19(3) of the Employment Act, 2007 and Section C.1 (3) of Human Resource Policies and Procedures Manual for the Public Service (2016) which provides that public officers shall not over commit their salaries beyond two thirds (2/3) of basic salary.

2.5. Lack of Comprehensive Staff Medical Cover

During the year under review, the County Executive had two payroll systems in operation, a manual payroll and Integrated Personnel and Payroll Database (IPPD) system. Review of the payrolls reflected two thousand six hundred and seventy-one (2,671) employees in the Integrated Personnel and Payroll Database (IPPD) system while five hundred and

eight (508) employees were in the manual payroll. However, the Executive failed to procure and implement group medical cover for the staff for the year under review. This was contrary to Salaries and Remuneration Commission Circular Ref No: SRC/TS/CGOVT/3/61 of 19 December, 2014 which provides that all County Governments should adopt and implement group medical scheme for all public officers serving in the County Governments.

2.6. Non-adherence to Law on Ethnic Balance

Review of the payroll for June, 2023 payroll reveals that the Executive had a total of two thousand, six hundred and seventy-one (2671) employees. However, analysis of the employees' data revealed that 77.5% of the employees were from the same ethnic community while the remaining 22.5% were from other ethnic communities. Further, since the manual payroll did not contain details on gender, ethnicity and persons with disability, it was not possible to determine the percentage of Ethnic Composition in the manual payroll. This was contrary to Section 7(1) and (2) of the National Cohesion and Integration Act, 2008 provides that: (1) All public establishments shall seek to represent the diversity of the people of Kenya in the employment of staff, (2) No public establishment shall have more than 30 % of its staff from the same ethnic community.

2.7. Wage Bill Above Threshold of 35%

During the year under review, the County Executive spent an amount of Kshs.4,284,841,581 on compensation of employees, which is approximately 58.9% of the total revenue of Kshs.7,279,605,452, and therefore exceeded the recommended ratio of 35% as stipulated in Regulation 25(1) of the Public Finance Management (County Governments) Regulations, 2015.

In the circumstances, Management was in breach of the law.

3.0. Non-Compliance with General Procurement Guidelines

3.1. Access to Government Procurement Opportunities Regulations

During the financial year under review, the County Executive procured goods and services valued at Kshs.2,312,817,292. Included in this amount is Kshs.455,514,320 allocated to women, youth and persons with disability. However, this allocation amounted to 19% of the total contracts, contrary to Regulation 149 of Public Procurement and Asset Disposal Regulations, 2020 which requires a procuring entity to allocate at least thirty (30%) per cent of its annual procurement budget for the purposes of procuring goods, works and services from enterprises owned by youth, women and persons with disability.

3.2. Guidelines on Preparation of Procurement Plan

Review of the County Executive procurement plan for the financial year 2022/23 revealed that a total of Kshs.933,241,383 was allocated for the procurement of various works and goods by various departments. However, the allocation was not supported by a detailed

breakdown of the specific goods or works required, a schedule of the planned delivery, implementation or completion dates for all the goods or works required. In addition, the procurement plan did not indicate an estimate of the value of each package of goods or works required, budget availability and sources of funding as stipulated by the format specified in the third schedule of the Public Procurement and Asset Disposal Regulations, 2020.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

1. Management of Temporary Imprest

During the year under review, review of the imprest warrants revealed various weaknesses regarding management of temporary imprest. Imprests issued were not recorded in an imprest register and imprest amounting to Kshs.4,954,500 was not surrendered within seven (7) working days after officers returned to their duty station. This was contrary to Regulation 93 of the Public Finance Management (County Governments) Regulations, 2015.

Management was therefore in breach of the law and effectiveness of internal controls in respect of imprest could not be confirmed.

2. Lack of an Approved Staff Establishment

During the year under review, the County Executive had two (2) payroll systems in operation – a manual payroll and Integrated Personnel and Payroll Database (IPPD) system. Review of the payrolls revealed two thousand six hundred and seventy-one (2,671) employees in the Integrated Personnel and Payroll Database (IPPD) system while five hundred and eight (508) employees were in the manual payroll. However, the County Executive is yet to prepare or approve its staff establishment and hence managed its

human resource without an approved staff establishment. In the absence of an approved establishment, the adequacy and appropriateness, existence and the necessity to fill vacancies or the possibility of staff progression could not be confirmed.

In the absence of an approved staff establishment, it was not possible to determine if the County Executive operated with an optimal number of staff.

3. Failure to Establish an Audit Committee

During the year under review, the County Executive had not established an audit committee. The audit committee would have performed various roles which include: understanding and assessing the overall risks the entity is facing, reviewing the adequacy of internal controls that Management has put in place regarding financial management controls, accounting systems, reporting and reviewing the entity's compliance with all relevant legislation and statutory requirements and conducting a follow up on the implementation of the recommendations of internal and external auditors.

In the circumstances, efficiency and adequacy of internal controls in place could not be confirmed.

4. Un-updated Non-Current Asset Register

The summary of non-current assets attached as annex 3 to the financial statements includes asset classes such as buildings and structures, intangible assets, transport equipment, office equipment, furniture and fittings, and infrastructure assets (roads). Review of the non-current asset register provided for audit revealed that the Management did not update the fixed asset register as required by Regulation 136 of the Public Finance Management (County Government) Regulations, 2015. The asset register did not contain columns for acquisition date, cost of acquisition, accumulated depreciation and net book value. Further, physical inspection of some of the assets owned by the County Executive revealed that some assets were not tagged with identification codes as required by law.

In the circumstances, completeness, safe custody and ownership of the fixed assets could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material

misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the County Executive's ability to continue to sustain its services, disclosing, as applicable, matters related to the sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to dissolve the County Executive or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the County Executive's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness

of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal controls that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County Executive's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the County Executive to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the County Executive to express an opinion on the financial statements.

- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

FCPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

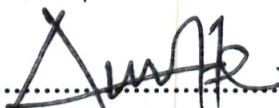

09 February, 2024

(NB: This statement is a disclosure statement indicating the utilisation in the same format at the County budgets which are programmatic)

SIGNIFICANT ACCOUNTING POLICIES

The key accounting policies adopted in the preparation of these financial statements are set out below:

a) Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions. The receivables and payables are disclosed in the Statement of Assets and Liabilities. The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the County Executive all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented. The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

b) Reporting entity

The financial statements are for the County Executive of Garissa. The financial statements encompass the reporting entity as specified under section 164 of the PFM Act 2012.

c) Recognition of receipts and payments

i) Recognition of receipts

The County Executive recognises all receipts from the various sources when the event occurs, and the related cash has been received by the Executive.

ii) Transfers from the County Revenue Fund (CRF)

Transfer from CRF is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and a notification received by the entity.

iii) Proceeds from sale of assets

Proceeds from the sale of assets are recognised in the statement of receipts and payments when the related monies from the sale are received by the entity.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

d) Recognition of payments

The County Executive recognises all expenses when the event occurs, and the related cash has been paid out.

i) Compensation of employees

Salaries and Wages, Allowances, and statutory contributions for employees are recognized in the period when the compensation is paid.

ii) Use of goods and services

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

iii) Interest on borrowing

Borrowing costs that include interest are recognized as payment in the period in which they incurred and paid for.

iv) Repayment of borrowing (principal amount)

The repayment of principal amount of borrowing is recognized as payment in the period in which the repayment is made: *The stock of debt is disclosed as an annexure to the County consolidated financial statements. (if applicable).*

v) Acquisition of fixed assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment. A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

e) In-kind contributions

In-kind contributions are donations that are made to the County Executive in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the County Executive includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

f) Third Party Payments

This relates to payments done directly to supplier on behalf of the county Executive such as; national government may fund the operation of health or education program; a donor may pay directly for construction of a given market etc. Details of payments by third parties on behalf of the county Executive is detailed in the notes to these financial statements.

g) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

Restriction on cash

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation. Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. As at 30th June 2023, this amounted to zero.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

h) Imprests and Advances

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

i) Third Party Deposits and Retention

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

j) Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the County Executive's fixed asset register a summary of which is provided as a memorandum to these financial statements.

k) Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the County Executive at the end of the year. Pending bills form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

l) Contingent Liabilities

A contingent liability is:

- a) A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or
- b) A present obligation that arises from past events but is not recognised because:
 - i) It is not probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation; or
 - ii) The amount of the obligation cannot be measured with sufficient reliability.

Some of contingent liabilities may arise from: litigation in progress, guarantees, indemnities. Letters of comfort/ support, insurance, Public Private Partnerships.

The County Executive does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

m) Contingent Assets

The County Executive does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the County Executive in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

n) Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The County Executive's budget was approved as required by Law and as detailed in the County Revenue Allocation Act. The original budget was approved by the County Assembly on 29th June 2022 for the period 1st July 2022 to 30 June 2023 as required by law. There was one number of supplementary budgets passed in the year. A high-level assessment of the County Executive's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

o) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

p) Subsequent events

Events subsequent to submission of the financial year end financial statements to the National Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of National Treasury.

q) Prior Period Adjustment

During the year, errors that have been corrected are disclosed *under note 17* explaining the nature and amounts.

r) Related Party Transactions

Related party means parties are related if one party has the ability to:

- a) Control the other party or
- b) Exercise significant influence over the other party in making financial and operational decisions, or if the related party entity and another entity are subject to common control.

Related party transaction is a transfer of resources or obligations between related parties regardless of whether a price is charged.

 Annual Report and Financial Statements for the year ended June 30, 2023

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
2.2	Payments of casual wages to a county officer on behalf of casuals	concerned chief officer The casuals cannot be paid through the IFMIS system because they don't have personal numbers hence can't be defined in	County Chief Officer- Finance	Not Resolved	July 2024

County Executive of Garissa
 Annual Report and Financial Statements for the year ended June 30, 2023

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
		the system and that necessitated the transfer of funds from IFMIS to an officer who will in turn pay the casuals			
2.3	Non-compliance with Limits of Expenditure On Wages and Benefits.	<p>The major factor that contributed to the increase in compensation is that, the county government took on the services of locum health workers who were not budgeted for in the last financial year hence resulted in the hike of the wage bill.</p> <p>There were few recruitments by the county public service board of 29 employees in different departments to help them handle the shortages that came as a result of attrition from retirements and transfers to other counties.</p> <p>Mitigation</p>			

County Executive of Garissa
 Annual Report and Financial Statements for the year ended June 30, 2023

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
		<p>Recruitment: No further recruitment of new employees unless there is dire need to fill gaps. The county public service has advised that in such a situation, a convincing explanation has to be forwarded to them for gap analysis and consideration and also forwarded to the county treasury for budgeting. The county government plans to cease the services of locum health workers</p>			
2.4	Staff Recruitment for the year Under Review.	The staffs have so far been confirmed and necessary documents available for audit review.	County Chief Officer- Finance	Not Resolved	July 2024
2.5	Non-compliance with the law on Ethnic Diversity	We have noted and taken your advice on this matter	Director HR	Not Resolved	July 2024
