7. Questions and Statements*

1. (STATEMENT SOUGHT FROM THE CHAIR COMMITTEE ON HEALTH)

Hon. Speaker, Pursuant to the provisions of Standing Order 47(2)(c), I rise to seek a statement from the Chairperson of the Sectoral Committee on Health Services regarding the operationalization status of Gababa Health Centre in Masalani Ward and Sangole Health Center in Ijara Ward.

Hon. Speaker, Gababa Health Centre and Sangole Health Center was constructed with the objective of expanding access to primary healthcare services within Masalani and Ijara Ward and their neighboring communities. its establishment aimed to bring life-saving health services closer to the people, reduce the long travel distances to the nearest health facilities and improve public health outcomes in line with the devolved mandate of county governments.

Hon. Speaker, The Constitution of Kenya, 2010, under Article 43(1)(a), guarantees every person the right to the highest attainable standard of health, including the right to healthcare services. Further, Article 56(c) mandates the state to put in place affirmative action programs to ensure that minorities and marginalized groups have reasonable access to healthcare services.

Under Article 174(f), the objectives of devolution include promoting social and economic development and providing proximate, easily accessible services throughout Kenya. Moreover, Part 2 of the Fourth Schedule of the Constitution assigns the function of county health services, including county hospitals and clinics, to the county governments, thereby making it their direct responsibility to ensure such facilities are operational and effective.

Hon. Speaker, The Health Act, 2017, further reinforces these obligations. Section 4(b) of the Act emphasizes the principle of equity in the distribution and access to healthcare services. Section 6(2)(a) mandates both levels of government to ensure timely access to quality healthcare, while Section 15 outlines the national and county

governments' obligation to establish and maintain health infrastructure; including staffing, equipping and resourcing of health facilities.

Additionally, the County Governments Act 2012 under Section 102, mandates counties to promote the delivery of accessible and quality services and enhance the welfare of citizens through the development and implementation of sustainable infrastructure.

Hon. Speaker, despite the completion of physical infrastructure, Gababa Health Centre and Sangole Health Center remains non-operational, lacking critical medical equipment, trained personnel and basic pharmaceutical supplies. This has severely hampered the community's access to essential health services and placed undue strain on distant facilities such as Masalani and Ijara Sub-County Hospital.

This status quo directly undermines constitutional rights, contradicts national and county health policy goals, and is a breach of the legal obligations placed upon county governments in delivering health services.

Hon. Speaker, it is imperative that Gababa Health Centre and Sangole Health Center becomes a functioning and fully resourced facility. Its operationalization will not only fulfill constitutional mandates but also contribute to the Universal Health Coverage (UHC) goals under the Kenya Health Policy (2014–2030) and the Big Four Agenda on health and well-being.

Hon. Speaker, in the statement the chairperson should inquire into and report on;

1. What is the current operational status of Gababa Health Centre in Masalani Ward and Sangole Health Center in Ijara Ward, in terms of its physical infrastructure and availability of essential medical equipment and drug supplies?
2. Are there any medical personnel currently deployed at the facilities? If yes, how many and in what cadres? If no, what are the reasons for the delay and when will deployment occur?
3. What measures and timelines have been established by the department to fully operationalize Gababa Health Centre and Sangole Health Center?

(STATEMENT SOUGHT BY HON FATUMA ADEN ABDI-NOMINATED MCA)

9. COMMITTEE OF THE WHOLE HOUSE

- (i) **THE GARISSA COUNTY CLIMATE CHANGE BILL (ASSEMBLY BILL NO. 4 OF 2024)**

(The Chairperson, Departmental Committee on Environment, Climate Change and Natural Resources)

THE CLIMATE CHANGE BILL,2024(ASSEMBLY BILL NO 4 OF 2024)

- 1) **Notice is given that Chairperson of the Departmental Committee on Environment, Climate Change and Natural resources intend to move the following amendments to the Climate Change Bill, 2024 at the Committee Stage—**

CLAUSE 5

THAT, clause 5 of the Bill be amended—

(a) in subclause (2)—

(1) by inserting the following new paragraphs after paragraph (m)—

“ (ma) The County commissioner or a representative nominated by the county commissioner”

CLAUSE 10

THAT, clause 10 of the Bill be amended—

(a)in subclause (2)—

(1)by inserting the following new paragraphs after paragraph (m)–

“ (ma) The County commissioner or a representative nominated by the county commissioner”

CLAUSE 17

THAT, clause 17 of the Bill be amended—

(a)in subclause (1)—

(1)by inserting the following new paragraphs after paragraph (g)(1)–

“(g)(1a) One chief in the ward nominated by the Assistant County Commissioner

(b)in subclause (7)—

(1)by deleting the word “14” and substituting the word “7” immediately after the word “not less than”

NEW PART

THAT, the Bill be amended by inserting the following part immediately after Part III-

PART IIIA— REGULATION OF CARBON MARKETS

Regulation of carbon markets. **29A** (1) The County Executive Committee Member shall promote and regulate participation in carbon markets as a mechanism to advance climate-resilient, low-carbon development in Garissa County.

(2) The County Government shall support the development of—

(a) carbon reduction credits that reduce emissions from existing sources;

(b) removal or sequestration credits through afforestation, reforestation, nature-based or technology-based solutions; and

(c) community-driven carbon initiatives that enhance sustainable livelihoods and local climate resilience.

(3) All carbon projects within the county shall conform to applicable national and international carbon standards and protocols, including technologies and activities approved under the national whitelist.

Participation in carbon markets. **29 B** (1) Participation in carbon markets within the County may occur through—

(a) bilateral or multilateral agreements approved by the Cabinet Secretary and the Designated National Authority;

(b) voluntary carbon market transactions with private or public actors; or

(c) county-supported carbon projects recognized under nationally approved carbon standards.

(2) All carbon projects and trading arrangements shall be aligned with Kenya’s Nationally Determined Contributions and recorded in the National Carbon Registry maintained by the Designated National Authority.

Environmental and social impact assessment. **29 C.** (1) A person shall not implement a carbon project in the county unless an environmental and social impact assessment has been undertaken and approved in accordance with the Environmental Management and Coordination Act, 1999 (No. 8 of 1999).

(2) Projects involving forest resources shall be subject to Reduced Emissions from Deforestation and Forest Degradation (REDD+) safeguard assessments as may be prescribed by national legislation or guidance.

Community development agreements and benefit-sharing **29 D.** (1) All land-based carbon projects shall be governed by a Community Development Agreement negotiated with affected local communities and stakeholders, including women, youth, and persons with disabilities.

(2) A Community Development Agreement shall—

(a) Identify the stakeholders, including project proponents, impacted communities, and relevant public authorities;

(b) provide for an annual social contribution of the previous year’s aggregate earnings to the community as follows—

- (i) at least forty percent for land-based projects; and
 - (ii) at least twenty-five percent for non-land-based projects;
 - (c) Outline benefit-sharing mechanisms and community development priorities;
 - (d) Specify procedures for community engagement and participation; and
 - (e) provide for periodic review at intervals not exceeding five years.
- (3) The County Government and the National Government shall jointly oversee and enforce the implementation of CDAs and ensure community rights and benefits are upheld.
- (4) A copy of every CDA shall be submitted to the County Climate Change Directorate and recorded in the National Carbon Registry.

County carbon project register. **29 E. 34.** (1) The County Climate Change Directorate shall establish and maintain a County Carbon Project Register synchronized with the National Carbon Registry.

(2) The Register shall contain information on—

- (i) project title, proponent(s), and location;
- (ii) type and scope of the carbon project;
- (iii) estimated and verified emissions reductions;
- (iv) benefit-sharing arrangements and community development agreement status;
- (v) carbon credit transfers, cancellations, and corresponding adjustments;
- (vi) authorizations and compliance details as per national and international frameworks.

(3) The County Carbon Project Register shall be accessible to the public in accordance with national access-to-information laws

Dispute resolution. **29 F.** (1) Any dispute arising from a land-based carbon project shall, in the first instance, be addressed through the dispute resolution mechanism provided in the relevant Community Development Agreement and resolved within thirty days.

(2) Disputes not resolved under subsection (1) or those from non-land-based projects shall be addressed through Alternative Dispute Resolution (ADR).

(3) If unresolved after thirty days, the dispute shall be referred to the National Environmental Tribunal in accordance with national law.

Oversight, monitoring, and reporting. **29 G.** (1) The County Climate Change Directorate shall—

- (a) monitor compliance with this Part and with all relevant national policies and laws on carbon markets;

(b) Prepare an annual report on carbon market participation in the county, including details of benefit-sharing and community development outcomes;

(c) Submit the report to the County Assembly and share it with the National Climate Change Directorate.

10. THE GARISSA COUNTY CLIMATE CHANGE BILL 2024 (ASSEMBLY BILL NO. 4 OF 2024)

(The Chairperson, Departmental Committee on Environment, Climate Change and Natural Resources)
